LYRICS

CHARACTER 1

If you're out at the grocery store,
and they're out of Twix
and you need some more
don't collapse on the floor,
just give me a call.
I'll come running.

CHARACTER 2

If you pull in a parking lot,
and a snotty kid
tries to steal your spot,
don't get your pants in a knot,
Just give me a call.

CHARACTER 1

When I am near, let's make it clear:
There's never ever anything that you should fear.
When troubles near, I'll bring you cheer.
When when you need I'll kick you in the rear.

CHARACTER 1

And when I'm elected President I'll share that present with you.
We stick together

CHARACTER 1 & 2

CHARACTER 2

If you're out at a movie show
and the previews start,
then the power blows,
don't go punching a nose.
Just give me a call
I'll come runnin'

CHARACTER 1

If you're down at the laundromat
and you lose your pants
cause you stopped to chat
cover up with a hat.
Come runnin' to me.

CHARACTER 2

When I am here, let's make it clear:
There's never ever anything that you should fear.
When troubles near, I'll bring you cheer.
When you need I'll kick you in the rear.
And when I accept my Oscar they can slice that sucker in two.
We stick together

CHARACTER 1 & 2

like tiny hands and Elmer's glue.

CHARACTER 1 & 2

When I am here, let's make it clear:
There's never ever anything that you should fear.
When troubles near, I'll bring you cheer.
And when you need I'll kick you in the rear.
And when I win the lottery I'll share my fortune with you.
We stick together
