NICKI

Oh, what am I gonna do!?

Lord, if you get me out of this, I won't ask for anything else as long as I live!

When I lay my head in bed each night
wondering is there one thing I got right?

Cause I keep messing up in spite
of what I know is best.

Like I know what's good and right and true,
and the things I should and shouldn't do.

So you'd think by now I'd get a clue,
but still I fail the test.
