LYRICS

VERSE 1 – *all, or solos*

Who makes his home on beaches of sand?
Catches fish with only one hand?
With his bare teeth he opened a can.
Everybody knows it's Uncle Jerry.

VERSE 2 *solo lines*

He slept all night on a raft in our pool.
Then rode us on his Harley to school.
What's a word for way beyond cool?
Everybody knows it's Uncle Jerry.

BRIDGE

Tells the greatest stories that you've ever heard.
Tells us P-L-A-N 's a four letter word.
He's the most fun guy you could hope to meet.
And when he burps "Happy Birthday" – it sounds so sweet! (*solo this line*)

VERSE 3

So Santa might be coming to town.
But here's a guy as rare to be found.
He's our Hairy Uncle Jerry,
He'll make our Christmas merry
with Hairy Uncle Jerry around. Yes sir!
When Hairy, I said Hairy
Uncle Jerry, Uncle Jerry
When Hairy Uncle Jerry's around.
