## LYRICS

### VERSE 1

It feels good to impress. Who doesn't like to be  
noticed and praised - bask in the gaze?  
But who could have guessed, I'm alone on this pedestal  
lost in a haze of trying to amaze?

### PRECHORUS

I don't even know how I got here,  
but now I'm afraid to look down.  
Life hasn't turned out like I thought here.  
No safe place to fall down with no critics around.

### CHORUS

I don't know all the answers.  
I don't know what to say.  
I don't know where I'm goin'.  
I'm barely here today.  
But I'll keep pressing forward  
to become all He made me to be.  
Then for once I can rest. No more good, better, best.  
I matter because He loves me.

### VERSE 2

Who to embrace? Magically friends appear  
soon as you wow - take trophy, take bow.  
But fall on your face, fans and admirers  
fade out somehow, who's with you now?

### **PRECHORUS**

It's a balancing act just to stay here  
where every mistake is so loud.

My value is weighed by the day here.  
If I give up the race, and I forfeit my place,  
will they still know my face in the crowd?

### **CHORUS**

I don't know all the answers.  
I don't know what to say.  
I don't know where I'm going,  
I'm barely here today.  
But I'll keep pressing forward  
to become all He made me to be.  
Then for once I can rest. No more good, better, best.  
I matter because He loves me.

### **BRIDGE**

And I know You can see me in this  
cycle that keeps spinning round.  
Lord, I know you can free me.  
If you still heal the hurting and look for the lost,  
Lord find me! I long to be found.

### **CHORUS**

I don't know all the answers.  
I don't know what to say.  
I don't know where I'm going,  
I'm barely here today.  
But I'll keep pressing forward  
to become all You made me to be.

**TAG ENDING**

There's no end to this race, to this dream that I chase.

To be scared and still try, free to fail, free to fly. But

because You love me, I can learn to be free.

I matter because You love me.
