

GOSSIP SONG

FaithBasedStudentMusicals.com

“A gossip betrays a confidence, but a trustworthy person keeps a secret.”

Proverbs 11:13

LYRICS

Don't tell anyone but this is what I heard.

I probably should not repeat so please don't say a word.

It's only what you need to know from what I hear and see.

I'm telling you in privacy as it was told to me.

REFLECTION

- Can you think of a time you trusted someone to keep a secret and you later found out they told it?
- Have you ever told something and knew at the time you should not be repeating it?
- Sometimes before we speak, we think or even say, “I probably shouldn't say this.” Where do you think that feeling comes from?
- What can you do or stop doing right now to honor this scripture verse?
