"The mouths of the righteous utter wisdom, and their tongues speak what is just." Psalm 37:30

LYRICS

CHORUS

I have a gift to give, though nothing's in my hand.

I will remember when I speak, my words will always land
in someone's heart and ring forever,
like an old familiar song.

May I choose words of love that echo on and on and on.

May I choose words of love that echo on.

REFLECTION

- What is one of the most encouraging and meaningful things anyone ever said to you? It might be yesterday, or years ago. Something you'll never forget.
- Do you remember clearly one of the most hurtful things someone ever said to you? If 10 people give you a compliment, and one says something negative, what do you think you remember the most?
- Knowing how powerful your words are, choose a person you can encourage with your words.
- Can you decide to encourage someone with your words at least once a day? More?
