LYRICS

MELODY A

GRANDMA

Play a little Ragtime song like Grandpa used to play. Let your fingers slide across the keyboard just this way. You can play a song of joy when you give love away. In your heart just play this part like Grandpa used to play.

MELODY B

GRANDMA

Then we'd do Charleston, Charleston, our favorite song.
Charleston, Charleston, dance all day long.
So fine, so fun, so join in everyone.
Charleston, Charleston, our favorite song.

(HAND DANCE BREAK)

FUGUE – BOTH A and B

(Grandkids sing B Melody while Grandma sings A Melody.)

GRANDMA

MELODY A

Then we'd do Charleston,
Charleston, our favorite song.
Charleston, Charleston, dance
all day long.

So fine, so fun, so join
in everyone.

So fun, my number one
You helped me find a
way.

You showed me every
day.

Forgiveness is the way.

I think you're ok.

GRANDKIDS

MELODY B

Play a little Ragtime song
like Grandpa used to play.

Let your fingers slide across
the keyboard just this way.

You can play a song of joy
when you give love away.

In your heart just play this
part like Grandpa used to play,
like Grandpa used to play, like
Grandpa used to play, like
Grandpa used to play.
