

FORGIVENESS MAKES YOU FREE

FaithBasedStudentMusicals.com

VERSE 1 - Grandma

When it seems the aching in your heart won't stop-it's here to stay.
and life before you knew the pain is a distant yesterday.
Allow yourself the gift of time, the scars will soon reveal
there's a plan, a grand design for wounded hearts to heal.

CHORUS (Grandma solo 1st time, add Alex 2nd and 3rd time.)

if I coulda' done it for you I'd have done it long ago.
Cause there's nothin' I want more than for your tender heart to know.
Sometimes lovin' leads to losing, that's the way it has to be.
But you were made to love again. Forgiveness makes you free!

Director's Note: Duo Dialogue 4 - Grandma and Alex timed w/ Underscore

VERSE 2 (Grandma solo)

"We hurt the ones who love us most," my Grandma used to say.
"The secret's not what comes to you, but what you give away."
Allow yourself the gift of time, the scars will soon reveal,
there's a plan, a grand design for wounded hearts to heal.

CHORUS REPEAT 2X (Grandma and Alex)

Director's Note: As Alex catches on, she joins in on choruses.
